Abstracts

Based in Denmark, Carlsberg A/S is a leading company in the global beer industry. The company is known worldwide for its beer brands particularly Tuborg, Baltika, Holsten, and of course Carlsberg amongst others. The company operates through many subsidiaries in the regions of Europe and Asia. The company not only has a dominant market position in the global beer industry but also has a wide international presence, thus giving it an edge over its competitors.

Aruvian Research presents Analysis of Carlsberg A/S. A complete and comprehensive analysis of Carlsberg A/S includes an overview of the industry the company operates in and then moves on to analyzing the company itself.

Company analysis from Aruvian Research includes a history of Carlsberg A/S, a business segment analysis of the segments Carlsberg A/S operates through, a look at the organization structure of the company, a geographical operating segments analysis, an analysis of the company's major competitors.

A financial analysis of Carlsberg A/S is presented in the report which includes a ratio analysis, basic profit and loss analysis, presentation of the company balance sheet, and much more.

We include an in-depth future perspective on the company, focusing particularly on the impact of the volatility in the Russian beer market on the future performance of Carlsberg A/S. While looking to the future of the company, we also include an analysis of its potential of acquisitions and growth in the Asian region in particular.

Contents

A. EXECUTIVE SUMMARY
