Abstracts

CPC Corporation is a Taiwan based exploration and marketing energy company with interests across the US, Venezuela, Libya, Australia, Indonesia, Ecuador and Chad including Taiwan. CPC has both upstream as well as downstream capabilities. In order to offer closed loop servicing in transportation as well CPC has invested in Nimic Ship Management Co as which owns 4 LNG tankers which now supply almost 3 mmt of LNG for the domestic market per year. CPC's management has taken stiff targets for this decade to exceed annual revenues of NT \$1.5 trillion and be ranked among the top 200 petroleum companies in the world. CPC is also contributing to healthy energy efforts through the EV charge distribution projects, castor plantation, biodiesel research among other projects.

Aruvian Research presents Analysis of CPC Corporation. A complete and comprehensive analysis of CPC Corporation, includes an overview of the industry the company operates in and then moves on to analyzing the company itself.

Company analysis from Aruvian includes a history of CPC Corporation, a business segment analysis of the segments CPC Corporation operates through, a look at the organization structure of the company, a geographical operating segments analysis, an analysis of the company's major competitors.

A financial analysis of CPC Corporation is presented in the report which includes a ratio analysis, basic profit and loss analysis, presentation of the company balance sheet, and much more.

A SWOT Framework Analysis of CPC Corporation completes this in-depth company analysis.

Contents
