Abstracts

Based in Germany, SAP SE (formerly known as SAP AG), is a leading global software corporation. The company makes enterprise software that helps corporations manage business operations as well as customer relations. The company has presence in over 125 countries in the world.

The product Company Analysis from Aruvian Research is a highly comprehensive research analysis on the particular company and its competitors. A company analysis includes a complete and comprehensive analysis of the selected company, an overview of the industry the company operates in, a Porter's Five Forces Framework Analysis of the industry, and then moves on to analyzing the company itself.

Company analysis from Aruvian includes a history of the company chosen, a business segment analysis of the segments that particular company operates through, a look at the organization structure of the company, a geographical operating segments analysis, an analysis of the company's major competitors. In general, every company profile includes two to three competitors of that company.

A financial analysis of the selected organization is also presented in the report which includes a ratio analysis, basic profit and loss analysis, presentation of the company balance sheet, and much more.

A SWOT Framework Analysis of that company as well as its competitors completes this in-depth analysis on SAP SE.
