Abstracts

Delphi Automotive LLP is one of the leading manufacturers and supplier of automotive components and modules in entire North America. Apart from North America, the company has presence in over 30 countries worldwide.

The company supplies to original equipment manufacturers and the automotive aftermarket. The group has its operations divided into five segments - electronics and safety, powertrain systems, thermal safety, electrical/electronic architecture, and product and service solutions.

The company offers its products and services to the leading vehicle manufacturers of the world, amongst them Daimler, Renault Nissan, Ford, Volkswagen, and Hyundai being regular customers of Delphi.

Aruvian's R'search presents Analysis of Delphi Automotive LLP. A complete and comprehensive analysis of Delphi Automotive, the world's leading manufacturer of health care products, includes an overview of the pharmaceutical industry in the United States, a PEST Framework Analysis of the Industry, and then moves on to analyzing the company itself.

Company analysis from Aruvians includes a history of Delphi Automotive, a business segment analysis of the segments Delphi Automotive operates through, a look at the organization structure of the company, a geographical operating segments analysis, an analysis of the company's major competitors.

A financial analysis of Delphi Automotive is presented in the report which includes a ratio analysis, basic profit and loss analysis, presentation of the company balance sheet, and much more.

A SWOT Framework Analysis of Delphi Automotive completes this in-depth company analysis.

Contents

A. EXECUTIVE SUMMARY

B. LOOKING AT THE INDUSTRY
