Abstracts

The Dutch food retail industry has not been experiencing any growth in recent years. In fact, the industry has been going into a decline since the last couple of years and the coming years are also expected to bring only stagnation for the industry, with no change in the market situation.

Aruvian Research analyzes the Dutch food retail market in its research report Analyzing Food Retail in the Netherlands. The report is a complete coverage of both the Dutch food retail market as well as the global food retail industry.

The Dutch food retail industry is analyzed through industry statistics, industry growth in value terms, industry segmentation by geography, industry distribution channels and an outlook for the market till 2019. A Porter's Five Forces Framework analysis is also conducted on the industry, highlighting the bargaining power of buyers and suppliers in the industry along with the overall competitive landscape of the industry.

Leading industry players analyzed in this report include Koninklijke Ahold NV, ALDI Einkauf, Jumbo Groep Holding and Lidl Dienstleistung.
