## Abstracts

The Australian government extends immense support to the pharmaceutical industry in the country. The R&D tax incentive and the Pharmaceutical benefits Scheme (PBS) are some of the supporting schemes that the government extends to the pharmaceutical industry. The generics industry in Australia has been on the decline in recent years. This has primarily been due to the pricing issues faced by the industry.

Aruvian Research presents Analyzing Generics Market in Australia 2017 – a comprehensive coverage of the Japanese generic drugs market. Beginning with a sectional description on the global generic industry, the report looks at an overview of the industry, an analysis of the market volume and value, industry segmentation and an industry forecast.
