The tobacco industry in Germany has been witnessing slow growth in the last five years, with the market expected to accelerate in the coming few years. The leading segment of the German tobacco industry remained cigarettes, followed closely by loose tobacco and cigars. Accounting for nearly 20% of the European tobacco industry, Germany is one of the largest players in the European tobacco market.

Aruvians Rsearch analyzes the German tobacco industry in its research offering Analyzing the Tobacco Industry in Germany. The report is an in-depth profile of the tobacco industry in Germany as well as the global tobacco industry, along with a complete analysis of the major players in the industry.

For the global tobacco industry we analyze the industry through an industry definition, industry overview wherein we look at the market statistics, an industry value analysis, industry segmentation, regional share of the industry, industry distribution, along with an analysis of the competition in the industry and company market share.
