## Abstracts

The tobacco industry in Singapore has not been witnessing a strong growth in recent years. This trend is unlikely to change in the coming five years either, with increasing legislation and regulations governing the market with regards to smoking. These regulations have already limited the growth of the market leaders, and has also ensured that new entrants think twice before investing in the Singaporean tobacco industry.

Aruvians Rsearch analyzes the Singaporean tobacco industry in its research offering *Analyzing the Tobacco Industry in Singapore*. The report is an in-depth profile of the tobacco industry in Singapore as well as the global tobacco industry, along with a complete analysis of the major players in the industry.

For the global tobacco industry we analyze the industry through an industry definition, industry overview wherein we look at the market statistics, an industry value analysis, industry segmentation, regional share of the industry, industry distribution, along with an analysis of the competition in the industry and company market share. Future of the global tobacco industry is also analyzed.

For the Singaporean tobacco industry, we analyze the tobacco market through an industry overview, industry value analysis, industry segmentation, regional share analysis, industry distribution, market competition, major players in the market and their market share, as well as an analysis of the future of the tobacco market in Singapore.

With tobacco being one of the most commonly used addictive substances in the world, the industry will continue to grow in the coming years, though the growth is going to be faced with many challenges as countries put in place stringent laws to combat the health effects of consuming tobacco. Aruvians Rsearch's analysis of the Singaporean tobacco industry is a comprehensive analysis of the industry.

Major players in the Singaporean tobacco industry are analyzed through a company overview, business segment analysis, financial analysis, and a SWOT analysis.
