Abstracts

It takes 3-5 business days to dispatch the report after the purchase is made.

INTRODUCTION

The agriculture industry is the foundation of China's national economy. China feeds 22 percent of the world population with only seven percent of the planet's arable land. The agriculture output reached over RMB6000 billion with a YoY growth rate of 3.9%, agriculture in China accounted for approximately 9.0% of China's GDP in 2015.

There were 31 listed agriculture companies in 2015. Now, government supports the development of professional and modern farming businesses, encourages different agricultural business models, and develops the agricultural produce processing industry, the online market for agricultural products. The agriculture companies with modern technology will have a significant development.
