Abstracts

It takes 3-5 business days to dispatch the report after the purchase is made.

1. INTRODUCTION

The industrial park development was not promising because of the economic downturn and decrease of investment. Most of the new industries focused on renting instead of purchasing. On the other hand, government regulations and all ranks of businesses retarded the industrial park development market.

In 2015, the sales volume of ten listed companies was more than RMB70 billion, which increased 25.2%.

Action plan on the China-proposed Belt and Road Initiative and urbanization bring more opportunities to this field in the future.
