1. INTRODUCTION

Leisure product is a part of fast moving consumer good, is just emerging in China. Recent years, leisure products manufactures made tremendous development, especially in Yangtze River Delta and Pearl River Delta. However, the leisure products market was underdeveloped because of the Chinese consuming concept.

Leisure products industry achieved sales volume around RMB35 billion, which decreased 4.92%.

Since people's life conditions are superior than ever, they have more disposable personal income, people's consuming awareness has changed as well, which made them pursue healthy life style and high qualified entertainments. Therefore, there is gigantic market potential for leisure products.
