Abstracts

It takes 3-5 business days to dispatch the report after the purchase is made.

1. INTRODUCTION

The fixed assets investment of public facility management industry was over RMB4 trillion in 2015. Among 17 listed companies in public facility management sector, most of the companies or organizations were involved in tourism business. The population of tourists visited was over 4 billion in China; the aggregate revenues of tourism industry have passed RMB4 trillion, which is over 10% growth compare to the preceding year.

On the other hand, online travel agency (OTA) and tourism companies' acquisitions were having significant impacts on tourism industry. The tourism giants Ctrip and Qunar have benefited from the capitalization raised through the acquisition in some extent; nevertheless, Qunar's first quarter financial report showed there were RMB1.8 billion deficits on the book. Public facility management industry and tourism industry are underdeveloped and need significant adjustments in 2016.

There are 17 listed companies in public facility management industry in China; the 17 listed companies have made over RMB379 billion in revenue and the total assets have reached over RMB4 trillion. Overseas Chinese Town is the one with the largest total asset, and it has made most revenue among 17 listed companies.
