Abstracts

In recent five years, the global infant formula market as a whole increased by 12%, which China's market grow the fastest, up to 22%, and witness steady growth for many years. While the growth rate of European and United States' market is very low in recent years.

In 2014, the growth rate of China's infant formula market is 21%. It is predicted that the market size of China's infant formula will reach 100 billion yuan in 2016.

New Zealand, European, United States, Australia and Argentina are the major infant formula export countries in the world, accounting for more than 90% of global total infant formula export volume in 2013.

The Aim of this report

To provide readers with comprehensive & in-depth understanding of global and China's infant formula industry;

To disclose market size of global and China's infant formula industry;

To analyze development trends of global and China's infant formula industry;

To estimate supply, import and export of infant formula situation in the world;

To introduce major players of infant formula in the world;

To analyze industry chain of infant formula;

To discuss marketing channel status and trends of infant formula industry

To reveal opportunities in Chinese infant formula industry.

SCOPE OF INVESTIGATION

The report will investigate global and China's infant formula industry from the following aspects:

Market size

Product and technology

Development environment

Cost structure

Supply and demand

Key players

Marketing channel

Commercial opportunity

Etc.

Contents

I Overview of infant formula industry in the world

I-1 Infant formula industry chain structure

I-2 Industry overview

II Market analysis of global and China's infant formula industry

II-1 Global market analysis

II-1.1 Development history of global infant formula industry

II-1.2 Product and technology developments

II-1.3 Development status of key production countries

II-1.4 Market development trends of global infant formula industry

II-2 China's market analysis

II-2.1 Development history of China's infant formula industry

II-2.2 Product and technology developments

II-2.3 Development status of key production regions

II-2.4 Market development trends of China's infant formula industry

II-3 Comparison analysis of global and China's infant formula market

III Development environmental analysis of global infant formula industry

III-1 Global economic environmental analysis

III-2 European economic environmental analysis

III-3 United States economic environmental analysis

III-4 China's macroeconomic environment analysis

IV Manufacturing process and cost structure of infant formula

IV-1 Product specifications

IV-2 Manufacturing process

IV-3 Cost structure

V Production and demand of infant formula in the world, 2010-2014

V-1 Production situation

V-2 Market share analysis

V-3 Demand situation

V-4 Import and export of infant formula

VI Key manufacturers and brands of infant formula

VI-1 Dumex

VI-1.1 Company profile

VI-1.2 Consumer purchase channel analysis

VI-1.3 Consumer purchase frequency analysis

VI-1.4 Consumer income level analysis

VI-1.5 Performance comparison of various aspects

VI-1.6 Competitive analysis of brand

VI-2 Mead Johnson

VI-3 Wyeth

VI-4 Nestle

VI-5 Yili

VI-6 Beingmate

VI-7 Abbott

VI-8 FIRMUS

VI-9 Synutra

VI-10 Brightdairy

VI-11 Biostime

VI-12 YASHILY

VI-13 Ausnutria

VI-14 Mengniu

VII Up and down stream industry analysis

VII-1 Supply analysis of raw milk

VII-2 Downstream demand analysis

VII-3 Industry chain analysis

VIII Marketing channels analysis of infant formula industry

VIII-1 Marketing channels status

VIII-2 Marketing channels characteristic

VIII-3 Marketing channels development trends

IX Investment recommendation of infant formula in China

IX-1 China's infant formula industry SWOT analysis

IX-2 New project investment feasibility analysis

List Of Tables

LIST OF TABLES

Table 1 Retail sales volume and growth rate of China's infant formula

Table 2 Retail sales value and growth rate of China's infant formula

Table 3 Retail market size of China's infant formula

Table 4 Import volume of retail packaging infant formula in China

List Of Figures

LIST OF FIGURES

Figure 1 Competition of major infant formula players in China

Figure 2 Competition of major infant formula brand in China

Figure 4 Number of dairy product producers in China
