Foaming Agents Market in CIS Countries and Globally

Date:	January 23, 2016
Pages:	205
Price:	US\$ 2,770.00
ID:	F13353C4291EN

The report is devoted to analysis of foaming agents market globally, regionally and by country.

General information about the foam and foaming agents is accumulated in the first half of the report concerning foaming agents classification, general requirements for foaming agents used for fire extinguishing purposes, basics of foam-based firefighting, types of foaming agents used to produce foam concrete, organic-origin foaming agents based on natural compounds, foaming agents based on petroleum acids, types of petroleum sulphonic acids used as surface-active substances, firefighting foaming agents based on surface-active substances derived from sulphonic acids, saponin and nekal surfactants.

Second half of the report focuses on the world market for foaming agents. The main foaming agents' market indicators – demand, regional and global production and consumption are considered.

Besides, market research report pays attention to the CIS countries foaming agents market (Russia and Ukraine). It contains information about manufacturers, capacities, production output by manufacturer, consumption and its structure, foreign economic activity, traders and prospects.

Report is supplemented with graphs and diagrams for foaming agents, which provides a more complete picture of the market.
