Please note that the report is a half-ready publication which means we have all information for the report production but it needs to be organized into a finalized product. Besides, it requires updating with the help of new data that are constantly retrieved from various sources. This process takes 8-10 business days after the order is placed. Thus, our clients always obtain a revised and updated version of each report. BAC Reports has information for more than 25,000 different products available but it is impossible to have all reports finalized and updated immediately. That is why it takes 8-10 days to update a report after an order is received.
