Abstracts

About

around 70% of potash mined globally is for fertilizers production

overall, global potash market was characterized by oversupply in recent years, but still a number of potash projects are in progress worldwide

globally both production and consumption of potash fertilizers demonstrated growth but with declining rates

Asia and Latin America were the largest consumers of potassium fertilizers and will continue to be in the next years

world potassium demand will witness growth alongside with production increase (situation with oversupply is likely to remain for a while)

The report performs overview of potassium fertilizers market globally and in CIS countries. It describes present situation, covers potassium fertilizers manufacturers, provides with data on production and consumption, export and import operations. Potassium fertilizers market forecast is also done in the report.

Contents

1. MAIN POTASSIUM FERTILIZERS, PROPERTIES

2. GLOBAL POTASSIUM FERTILIZERS MARKET ANALYSIS

- 2.1. World crop market and its influence
- 2.2. Potassium fertilizers supply, major manufacturers
- 2.3. Global potassium fertilizers market forecast

3. WORLD POTASSIUM SULPHATE MARKET

- 3.1. Potassium sulphate production
- 3.2. Manufacturers and their shares in global market
- 3.3. Potassium sulphate demand
- 3.4. Potassium sulphate demand regional markets (Europe, Asia Pacific, north America, Latin America, Africa)
- 3.5. Prices
- 3.6. Market forecast

4. WORLD POTASSIUM MURIATE (MOP) MARKET

- 4.1. Potassium muriate production worldwide
- 4.2. Potassium muriate manufacturers and their shares in global market
- 4.3. Potassium muriate demand trends worldwide
- 4.4. Regional markets (Europe, Asia Pacific, North America, Latin America, Africa)
- 4.5. Potassium muriate prices
- 4.6. World market forecast

5. GLOBAL MARKET OF OTHER POTASSIUM FERTILIZERS

- 5.1. Potassium magnesium sulfate
- 5.2. Potassium nitrate

6. POTASSIUM FERTILIZERS MARKET IN CIS COUNTRIES

Supply/demand, prices, market forecast for potassium sulphate, muriate of potassium, potassium nitrate, and others

- 6.1. Potassium fertilizers market in Russia
- 6.2. Potassium fertilizers market in Belarus
- 6.3. Potassium fertilizers market in Ukraine
- 6.4. Potassium fertilizers market in Kazakhstan
- 6.5. Other countries

Please note that the report is a half-ready publication which means we have all information for the report production but it needs to be organized into a finalized product. Besides, it requires updating with the help of new data that are constantly retrieved from various sources. This process takes 8-10 business days after the order is placed. Thus, our clients always obtain a revised and updated version of each report. BAC Reports has information for more than 25,000 different products available but it is impossible to have all reports finalized and updated immediately. That is why it takes 8-10 days to update a report after an order is received.
