The company serves small and medium-sized businesses by providing its Personnel Management System, which encompasses a range of services, including benefits and payroll administration; health and workers' compensation insurance programs; personnel records management; employer liability management; employee recruiting and selection; employee performance management; and training and development services.

The company assists its clients in achieving compliance with these regulations by providing services in four primary categories, such as administrative functions; benefit plans administration; personnel management; and employer liability management.

Administrative Functions: Administrative functions encompass various processing and record keeping tasks, related to payroll administration and government compliance. Services include payroll processing; payroll tax deposits; quarterly payroll tax reporting; employee file maintenance; unemployment claims processing; and workers' compensation claims reporting.

Benefit Plans Administration: The company maintains benefit plans that include group health coverage; health care flexible spending account plan; an educational assistance program; an adoption assistance program; group term life insurance; group universal life insurance coverage; accidental death and dismemberment insurance coverage; short-term and long-term disability insurance coverage; a 401(k) retirement plan; and a cafeteria plan.

Personnel Management: The company provides various personnel management services that give its clients access to resources found in the human resources departments of large companies. The company's clients have access to its personnel guide, which sets forth a systematic approach to administering personnel policies and practices, including recruiting, discipline and termination procedures. Other human resources services it provides include drafting and reviewing personnel policies and employee handbooks; designing job descriptions; performing prospective employee screening and background investigations; designing performance appraisal processes and forms; professional development and issues-oriented training; employee counseling; substance abuse awareness training; drug testing; outplacement services; and compensation guidance.

Employer Liability Management: The company assumes the employment-related responsibilities associated with the administrative functions, benefit plans administration and personnel management services it provides.

Employee Service Center: The Employee Service Center (ESC) is the company's Web-based interactive PEO service delivery platform, which is designed to provide an automated, personalized PEO content and services to its clients and worksite employees. The ESC provides a range of functionality, including WebPayroll for the submission and approval of payroll data; client-specific payroll information and reports; employee information, including online check stubs and pay history reports; employee-specific benefits content, including summary plan descriptions and enrollment status; access to 401(k) plan information through the Retirement Service Center; online human resources forms; best practices human resource management process maps and process overviews; an online personnel guide; e-Learning Web-based training; online recruiting services; links to benefits providers and other key vendors; and frequently asked questions.
