ASX Limited Due Diligence Report provides a complete overview of the company's affairs. All available data is presented in a comprehensive and easily accessed format. The report includes financial and SWOT information, industry analysis, opinions, estimates, plus annual and quarterly forecasts made by stock market experts. The report also enables direct comparison to be made between ASX Limited and its competitors. This provides our Clients with a clear understanding of ASX Limited position in the Financial Services Industry.

- The report contains detailed information about ASX Limited that gives an unrivalled in-depth knowledge about internal business-environment of the company: data about the owners, senior executives, locations, subsidiaries, markets, products, and company history.
- Another part of the report is a SWOT-analysis carried out for ASX Limited. It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The ASX Limited financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes ASX Limited competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of ASX Limited business.

### About ASX Limited

ASX Limited operates as a multi-asset class listed exchange group under the brand name Australian Securities Exchange.

### Segments

Exchange-traded activities: The company's activities comprise the operation of the licensed securities and

derivatives exchanges (Australian Stock Exchange and Sydney Futures Exchange), and the licensed clearing and settlement operations conducted by Australian Clearing House Pty Limited, ASX Settlement and Transfer Corporation Pty Limited and SFE Clearing Corporation Pty Limited. This includes trading, clearing and settlement of equity and derivative contracts, together with market data services and technology infrastructure.

Non-exchange traded activities: The company's activities include settlement, depository and registry services for debt securities, conducted by the licensed clearing entity, Austraclear Limited.

## Services

The company's activities comprise the primary market and capital formation process, secondary market trading and price discovery, central counterparty risk transfer, and securities settlement for both the equities and fixed income (including over-the-counter) markets.

The company, through its subsidiary, SFE Corporation Limited, offers exchange-traded and over-the-counter financial services in the Asia Pacific region.

The company functions as a market operator, supervisor, clearing house, and payments system facilitator. It promotes good corporate governance among Australia's listed companies and helps educate retail investors.

## Customers

The company's domestic and international customer base includes issuers, such as corporations and trusts of a range of listed securities, investment and trading banks, fund managers, hedge funds, commodity trading advisers, proprietary and retail traders, and retail investors.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
