The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Collins Stewart plc business.

About Collins Stewart plc

Collins Stewart plc operates as an independent financial advisory group. It operates in four divisions: Wealth Management, Securities, Corporate Broking, and Advisory. The Wealth Management division offers a range of investment services, including financial planning, portfolio management, stock broking, and investment funds. The Securities division provides research, sales, and execution service to approximately 400 institutional clients. Its research model utilizes a combination of fundamental sector analysis, and the proprietary online, interactive valuation model, Quest, which covers companies in Europe, North America,

Asia, and Africa. The Corporate Broking division distributes primary and secondary small and mid-cap equity, and specializes in raising such capital from institutional investors. This division also offers guidance on structure, size, timing, and pricing of primary and secondary equity issues, as well as provides advice on the takeover codes, mergers and acquisition transactions, introductions, move-ups, take-privates, and de-listings. The Advisory division offers advisory services on mergers and acquisitions, capital markets, restructuring, and debt advisory and strategic advice. The company serves corporate, financial institutions, private equity houses, private clients, governments, and quasi-governmental bodies. It operates in the United Kingdom, the United States, Channel Islands, Singapore, France, Ireland, Italy, and Switzerland. The company was founded in 1991 and is headquartered in London, the United Kingdom.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
