- The Davenham Group plc financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes Davenham Group plc competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Davenham Group plc business.

### About Davenham Group plc

Davenham Group plc, a commercial finance company, provides financial solutions primarily for small and medium enterprises in the United Kingdom. It operates in three segments: Property Finance, Trade Finance, and Asset Finance. The Property Finance provides commercial mortgages to assist owner-occupiers and investors with commercial property acquisitions or refinance; bridging finance to fund land, as well as commercial and residential property; and development finance to residential and commercial developers. The Trade Finance segment offers working capital solutions, such as import,

invoice, structured, and stock finance for importers, wholesalers, distributors, and manufacturers. The Asset Finance segment offers asset finance for companies looking to raise money from existing assets; plant and machinery finance to purchase new/used plant and machinery; and dealer finance for dealers to purchase plant and machinery against firm orders for eventual sale. The company was founded in 1991 and is headquartered in Manchester, the United Kingdom.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
