Dewey Electronics Corp. Due Diligence Report provides a complete overview of the company's affairs. All available data is presented in a comprehensive and easily accessed format. The report includes financial and SWOT information, industry analysis, opinions, estimates, plus annual and quarterly forecasts made by stock market experts. The report also enables direct comparison to be made between Dewey Electronics Corp. and its competitors. This provides our Clients with a clear understanding of Dewey Electronics Corp. position in the **Electrical Equipment Industry**.

- The report contains detailed information about Dewey Electronics Corp. that gives an unrivalled in-depth knowledge about internal business-environment of the company: data about the owners, senior executives, locations, subsidiaries, markets, products, and company history.
- Another part of the report is a SWOT-analysis carried out for Dewey Electronics Corp.. It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The Dewey Electronics Corp. financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes Dewey Electronics Corp. competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Dewey Electronics Corp. business.

### About Dewey Electronics Corp.

The Dewey Electronics Corporation engages in the development, design, and manufacture of military electronics with a focus on compact diesel power generation solutions in the United States and internationally.

The company's principal products are electronic and electromechanical systems manufactured for the Armed Forces of the United States, which it provides as a prime contractor or as a subcontractor for the

department of defense. In addition, it also manufactures and sells commercial snowmaking equipment and related spare parts to the leisure and recreation industry. It produces 2kW diesel operated tactical generator set under a long-term contract with the department of defense.

The company receives other government contracts, including speed and measurement instrumentation for the U.S. Navy, and other contractors, such as shipbuilders. It receives orders from other defense contractors for small diesel generator sets, as well as orders for spare parts and other electro-mechanical systems.

### Suppliers

The company's principal suppliers include Martin Diesel, Baldor Electric Company, Balmar Commercial Industries, and the Crompton Instruments Division of Tyco Electronics Corporation.

### History

The Dewey Electronics Corporation was incorporated in 1955.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need 2-3 days to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
