The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of EAC Industries Inc business.

About EAC Industries Inc

EAC Industries Inc., (EAC or the Company) was organized in 1958 as a New York corporation. The Company currently has one operating subsidiary, Flexible Printed Products, Inc. (Flexible). The business and certain of the assets of Flexible were acquired in 1994. Flexible produces and prints on plastic, pre-cure in-mold heat transfer labels for the identification and decoration of rubber and silicone hoses, belts and tire patches.

In-Mold Heat Transfer Labels

Flexible produces and markets in-mold, pre-cure heat transfer labels to the rubber and silicone industry primarily for identification and decoration of hoses and belts. Other products include post cure heat transfer labels for rubber patches, tires and other rubber and silicone products.

Flexible's products are sold nationwide primarily to rubber and silicone hose and belt manufacturers, principally by its in-house sales personnel. The remainder is sold by a limited number of manufacturers' representatives.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
