It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The Eqstra Holdings Limited financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes Eqstra Holdings Limited competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Eqstra Holdings Limited business.

### About Eqstra Holdings Limited

Eqstra Holdings Limited provides capital equipment and leasing services in construction and mining, passenger and commercial vehicles, and industrial equipment in South Africa, Africa, and the United Kingdom. It offers fleet management solutions comprising managed maintenance, accident management services, contract hire, in-house workshops, panel shops, tanker/body building, auction, and wholesale and retail facilities for passenger, light, medium, and heavy commercial vehicles. The company also provides long and short-term rental service and maintenance contracts, sales of new and used equipment and parts,

fleet management, driver training, and battery bay management services, as well as value-added services, such as repairs and maintenance, distribution of equipment, and insurance thereof. In addition, it offers opencast mining services, and rents construction and mining equipment. The company, formerly known as Imperial Investment Holdings (Proprietary) Limited, is based in Meadowdale, South Africa.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
