- In the part that describes ICF International Inc. competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of ICF International Inc. business.

About ICF International Inc.

ICF International, Inc. provides management, technology, and policy consulting and implementation services to government, commercial, and international clients. The company helps clients conceive, develop, implement, and improve solutions that address natural resource, social, and national security issues.

The company's services primarily address three markets: energy, environment, and infrastructure (natural

resources); health, human services, and social programs (social resources); and homeland security and defense (national security).

Services

Advisory Services: The company provides policy, regulatory, technology, and other advice to clients to help them address and respond to the challenges they face. Its advisory services include needs and market assessments, policy analysis, strategy and concept development, organizational assessment and strategy, enterprise architecture, and program design.

Implementation Services: The company implements and manages technological, organizational, and management solutions for clients, including information technology solutions, project and program management, project delivery, strategic communications, and training. These services often relate to the advisory services that the company provides.

Evaluation and Improvement Services: The company provides evaluation and improvement services that help clients increase the effectiveness of their programs. Its evaluation and improvement services include program evaluations, continuous improvement initiatives, performance management, benchmarking, and return-on-investment analyses.

The company serves federal, state, local, and foreign government clients, as well as major domestic and international corporations and multilateral institutions.

Competition

The company's principal competitors include: Abt Associates Inc.; Booz Allen Hamilton, Inc.; Cambridge Systematics, Inc.; CRA International, Inc.; Deloitte LLP; Eastern Research Group, Inc.; ENTRIX, Inc.; L-3 Communications Corporation; Lockheed Martin Corporation; Navigant Consulting, Inc.; Northrop Grumman Corporation; PA Consulting Group; SAIC, Inc.; Research Triangle Institute; SRA International, Inc.; and Westat, Inc.
