The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of iLoveTV Entertainment Inc. business.

### About iLoveTV Entertainment Inc.

iLove TV Entertainment Inc. (the company) has developed a groundbreaking convergence platform that enhances the TV viewing experience by generating real-time web links in-sync with the television program's content. Along with this technology, iLove TV offers total business and technology packages.

The company offers a wide range of services including: strategic planning, consulting, engineering and training. The company's Convergence Consultants are experts in broadcasting, program production,

marketing communications, finance and technology.

The company will provide a website platform on which the broadcasters or producers will stream their content. iLove TV enables the content to be easily embedded with advertiser and information links, as well as closed captioning, banner ads, sponsor buttons, live chat rooms, voting, polling and much more.

This enhanced programming can be viewed on a television as a split screen visual, it can be streamed solely on a computer monitor or it can be viewed on both at the same time.

But iLove TV isn't just about the technology. It offers complete convergence packages that enable broadcasters and producers to make a smooth transition to the world of convergence.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
