As of December 31, 2009, WPS Investments was owned 84.5% by Integrys Energy Group, 12.8% by WPS, and 2.7% by UPPCO. ATC is a federally regulated electric transmission company with operations in Wisconsin, Michigan, Minnesota, and Illinois.

Holding Company and Other Segment

This segment includes the operations of the Integrys Energy Group holding company and the PEC holding company, along with any nonutility activities at WPS, MGU, MERC, UPPCO, The Peoples Gas Light and Coke Company (PGL), NSG, and Integrys Business Support, LLC (IBS).

Regulated Natural Gas Utility Operations

Integrys Energy Group provides regulated natural gas utility service to approximately 1,669,000 residential, commercial and industrial, transportation, and other customers located in Chicago and northern suburbs of Chicago, northeastern Wisconsin, adjacent portions of Michigan's Upper Peninsula, various cities and communities throughout Minnesota, and in the southern portion of lower Michigan.

Natural Gas Supply

Integrys Energy Group's natural gas utilities manage portfolios of natural gas supply contracts, storage services, and pipeline transportation services. Integrys Energy Group's regulated natural gas subsidiaries contract for fixed-term firm natural gas supplies with various natural gas suppliers each year. Integrys Energy Group's natural gas utilities contract with various underground storage facilities for underground natural gas storage capacity and have company-owned storage.

Regulated Electric Utility Operations

Integrys Energy Group's regulated electric utility operations are provided through WPS and UPPCO to approximately 489,000 residential, commercial and industrial, wholesale, and other customers. WPS's regulated electric operations generate and distribute electric energy mainly to northeastern Wisconsin and a small portion of Michigan's Upper Peninsula. UPPCO provides electric energy in Michigan's Upper Peninsula. Wholesale electric service is provided to various customers, including municipal utilities, electric cooperatives, energy marketers, other investor-owned utilities, and municipal joint action agencies.

Electric Supply

Both WPS and UPPCO are members of Midwest Independent Transmission System Operator, Inc. (MISO), an independent, non-profit organization, which operates a financial and physical electric wholesale market in the Midwest. WPS and UPPCO offer their generation and bid their customer load into the MISO market.

Power Purchase Agreements

Integrys Energy Group's regulated electric facilities enter into short-term and long-term power purchase agreements to meet a portion of electric energy supply needs. The most significant of these is an agreement is with Dominion Energy Kewaunee, LLC to purchase energy and capacity from the Kewaunee Power Station.

Integrys Energy Services

Integrys Energy Services is a diversified nonregulated natural gas and electric power supply and services company. Integrys Energy Services and its subsidiaries market energy and related products in the retail market serving commercial, industrial, direct, and aggregated small commercial and residential customers. Aggregated customers are municipalities, associations, or groups of customers that have joined together to negotiate purchases of electric or natural gas energy as a larger group.

Integrys Energy Services assists customers with selecting an energy solution that meets their needs and collaborates with energy developers of wholesale energy projects.
