iRemit Incorporated Due Diligence Report provides a complete overview of the company's affairs. All available data is presented in a comprehensive and easily accessed format. The report includes financial and SWOT information, industry analysis, opinions, estimates, plus annual and quarterly forecasts made by stock market experts. The report also enables direct comparison to be made between iRemit Incorporated and its competitors. This provides our Clients with a clear understanding of iRemit Incorporated position in the **Software and Technology Services Industry**.

- The report contains detailed information about iRemit Incorporated that gives an unrivalled in-depth knowledge about internal business-environment of the company: data about the owners, senior executives, locations, subsidiaries, markets, products, and company history.
- Another part of the report is a SWOT-analysis carried out for iRemit Incorporated. It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The iRemit Incorporated financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes iRemit Incorporated competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of iRemit Incorporated business.

About iRemit Incorporated

I-Remit, Inc. provides fund transfer and remittance services to the overseas Filipino workers (OFW) and other migrant workers worldwide. Its products and services include iRemit Visa Card, a debit and automated teller machine card-in-one, which features instant crediting of remittances from abroad; Bank-to-Bank, a facility for same-day online crediting to a bank account; and Door-to-Door delivery of cash remittances to designated beneficiaries through third party couriers. The company also offers Notify-to-Pay service that allows OFW beneficiaries to pick-up remittances from the branches of various commercial and

thrift banks, and pawnshops; 'Globe G-Cash' and 'Smart Padala' SMS remittance services; and iRemit Direct Online Remittance System, an Internet-based remittance facility. In addition, it provides various auxiliary services, such as liaising and coordinating with, and accepting and distributing membership contributions, loan amortization payments, and premium payments to various government and non-government entities, as well as various insurance, pre-need, and real estate companies. The company's network covers various OFWs and Filipino migrants, and various strategic partnerships and tie-ups with various local and international banks, pawnshops, couriers, and telecommunications companies. I-Remit was incorporated in 2001 and is headquartered in Pasig City, the Philippines.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need 2-3 days to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
