The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Jones Lang Lasalle Inc. business.

About Jones Lang Lasalle Inc.

Jones Lang LaSalle Incorporated provides integrated real estate and investment management expertise on a local, regional, and global level to owner, occupier and investor clients. The company offers property and corporate facility management services, with a portfolio of approximately 1.6 billion square feet worldwide.

Segments

The company has operations as four business segments. The company manages its Investor and Occupier Services (IOS) product offerings geographically as the Americas, Europe, Middle East and Africa (EMEA), and the Asia Pacific, and its investment management business globally as LaSalle Investment Management.

Value Delivery: IOS Americas, EMEA and Asia Pacific

The company delivers those services through the following service lines:

Leasing Services

Agency Leasing Services executes marketing and leasing programs on behalf of investors, developers, property companies and public entities to secure tenants and negotiate leases with terms that reflect its clients' best interests. In 2009, the company completed approximately 14,800 agency leasing transactions representing approximately 210 million square feet of space. The company assists clients by defining space requirements, identifying suitable alternatives, recommending appropriate occupancy solutions, and negotiating lease and ownership terms with third parties. In 2009, the company completed approximately 4,300 tenant representation transactions representing approximately 69 million square feet of space.

Property and Facilities Management

Property Management Services provides on-site management services to real estate owners for office, industrial, retail and specialty properties. During 2009, the company provided on-site property management services for office, retail, mixed-use and industrial properties totaling approximately 900 million square feet.

The company provides property management services through an on-site general manager and staff whom the company supports with regional supervisory teams and central resources in such areas as training, technical and environmental services, accounting, marketing and human resources. The company's general managers are responsible for property management activities, client satisfaction and financial results.

Integrated Facilities Management Services provides portfolio and property management services to corporations and institutions that outsource the management of the real estate they occupy. Properties under management range from corporate headquarters to industrial complexes. During 2009, Integrated Facilities Management Services managed approximately 670 million square feet of real estate for its clients. The company's target clients have large portfolios (approximately 1 million square feet) that offer significant opportunities.

The company also provides lease administration and auditing services, helping clients to centralize their lease management processes. In the United States, the company provides Mobile Engineering Services to banks and specialist retailers with large portfolios of retail sites. These companies hire Jones Lang LaSalle to provide HVAC, electrical and plumbing services, and general interior repair and maintenance.

Project and Development Services

Project and Development Services provides various services—including conversion management, move management, construction management and strategic occupancy planning services—to tenants of leased space, owners in self-occupied buildings, and owners of real estate investments. Project and Development Services also manages all aspects of development and renovation of commercial projects for its clients. The company also provides these services to public-sector clients, particularly to military and government entities in the United States and to educational institutions.

Capital Markets Services

Capital Markets Services includes institutional property sales and acquisitions, real estate financings,

private equity placements, portfolio advisory activities, and corporate finance advice and execution. Real Estate Investment Banking Services includes sourcing capital, both in the form of equity and d
