Nisko Projects Electronics & Communication (1999), Ltd. Fundamental Company Report provides a complete overview of the company's affairs. All available data is presented in a comprehensive and easily accessed format. The report includes financial and SWOT information, industry analysis, opinions, estimates, plus annual and quarterly forecasts made by stock market experts. The report also enables direct comparison to be made between Nisko Projects Electronics & Communication (1999), Ltd. and its competitors. This provides our Clients with a clear understanding of Nisko Projects Electronics & Communication (1999), Ltd. position in the **Computers and Electronic Equipment Industry**.

- The report contains detailed information about Nisko Projects Electronics & Communication (1999), Ltd. that gives an unrivalled in-depth knowledge about internal business-environment of the company: data about the owners, senior executives, locations, subsidiaries, markets, products, and company history.
- Another part of the report is a SWOT-analysis carried out for Nisko Projects Electronics & Communication (1999), Ltd.. It involves specifying the objective of the company's business and identifies the different factors that are favorable and unfavorable to achieving that objective. SWOT-analysis helps to understand company's strengths, weaknesses, opportunities, and possible threats against it.
- The Nisko Projects Electronics & Communication (1999), Ltd. financial analysis covers the income statement and ratio trend-charts with balance sheets and cash flows presented on an annual and quarterly basis. The report outlines the main financial ratios pertaining to profitability, margin analysis, asset turnover, credit ratios, and company's long-term solvency. This sort of company's information will assist and strengthen your company's decision-making processes.
- In the part that describes Nisko Projects Electronics & Communication (1999), Ltd. competitors and the industry in whole, the information about company's financial ratios is compared to those of its competitors and to the industry. The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Nisko Projects Electronics & Communication (1999), Ltd. business.

About Nisko Projects Electronics & Communication (1999), Ltd.

Nisko Projects Electronics & Communication (1999), Ltd. distributes a range of semiconductors, passive and electromechanical components, and test and measurement subsystems in Israel. The company offers

communication ICs for access and networking; active components, such as rectifiers, analog ICs, microcontrollers, xDRAM, Opto electronic devices, bridges, DRAM memory products, light emitting diodes (LED), LED modules, silicon photodetectors, optical sensors, infrared emitters, laser diodes, intelligent displays, and chips; mixed signal and timing semiconductors; and passive components, including ceramic cap, aluminum cap, chocks, ferrites, varistors and thermistors, saw filters, microwave filters, frontend modules, antenna switch module, resonators, gas arrestors, electrolytic capacitors, resistors, chip fuses, inductor filters, transformers, and SMD power chokes. It also provides fiber optics comprising long-wave pluggable transceivers and transponders, electro-mechanical components, and electronic test equipment. In addition, the company provides supply chain management, bar-coding, inventory management, electronic data interchange, and VMI services. It distributes its products to high-technology companies, OEM customers, and contract electronic manufacturers through suppliers. The company was founded in 1988 and is based in Tel Aviv, Israel. Nisko Projects Electronics & Communication (1999), Ltd. operates as a subsidiary of Nisko Industries.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
