The unique analysis of the market and company's competitors along with detailed information about the internal and external factors affecting the relevant industry will help to manage your business environment. Your company's business and sales activities will be boosted by gaining an insight into your competitors' businesses.
- Also the report provides relevant news, an analysis of PR-activity, and stock price movements. The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Nordwest Handel AG business.

About Nordwest Handel AG

NORDWEST Handel AG operates as a wholesaler in various areas, including fittings and construction elements; sanitary/heating/civil engineering; and steel/fixing technology in Europe. It provides various fittings and construction elements that are elementary tools for the structuring, extension, and interior design of rooms, flats, and objects. The company's sanitary/heating/civil engineering products are focused on the supply of water, heat and energy, and disposal solutions in buildings. NORDWEST's steel products consist of rolled steel, concrete reinforcing steel, merchant bars, tubes, and sheets and plates. Its fixing

technology products comprise screws, nuts, discs, dowels, and sorting boxes. The company also provides wire/iron/welding technology products, including welding and cutting gas equipment; fences of welded wire mesh; posts, gates, and accessories; hoardings; and steel wire fibers. **NORDWEST Handel** was founded in 1919 and is based in Hagen, Germany.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
