About Uonlive Corp.

Uonlive Corporation is an online multimedia company. The company operates an online radio station, a kind of virtual community able to provide the public with free online radio services, and mainly targets a younger listening audience.

The company provides multi-division entertainment programs through live-audio-radio and audio-on-demand. It also utilizes the technologies for DJs and audiences to control their broadcasting

techniques. The company is also endeavoring to develop new radio receiving techniques.

The company offers interactive features, including online live voting, chat rooms, and download services in order to reach audiences. In addition, the company provides professional training courses to DJs. It intends to develop new radio personalities by providing professional and systematic training programs. After completion of the courses, the participants are qualified to take part in large-scale activities and ceremonies. The company has approximately 50 DJs hosting online radio programs. It has approximately 40 diversified programs, which operate 24-hours a day.

The company operates online radio by using audio or video data that can be converted into the desired format and directly transmitted onto the Internet. Whenever the listeners log into the Web site, they can download the audio information they desire, and broadcast this information out through the related software, such as Realplay or Winamp.

The company focuses and markets its products in the following industries: sports; tourist; property; music; wedding; comics/ games; super natural science; and online shopping.
