The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Vitalstate Inc. business.

About Vitalstate Inc.

Vitalstate, Inc., a development stage company, engages in the development and commercialization of products utilizing proprietary delivery systems for the general health, sports performance, and weight management markets.

The company, through its operating subsidiary, Vitalstate Canada, Ltd., develops products for humans and animals, including nutritional supplements that can be marketed without prior U.S. Food and Drug

Administration approval. The company's delivery systems have been designed to provide for the combination of active ingredients that are not easily combined at effective levels and to control the absorption of active ingredients into the body. The company's target customers include North American health and fitness consumers who are looking for vitamin, weight-loss and supplement products.

The company's technology involves a confectionery-based delivery system. Its patent applications cover the processes of manufacture and use of the delivery systems in both supplement and pharmaceutical markets. The company commercialized its branded nutritional supplements with the launch of Russian Red creatine Actijubes, Command protein bars, and Foundation protein powders. The company also launched its FitKids nutrition bars for children. It expanded its product lines with Ripped Quick Physique Kits, Command Performance Kits and Russian Red Hardcore Bodybuilding Kits, all using ActiJube technology, as well as Wolverines Turkey Nuggets.

The company, as of December 31, 2004, is in the process of developing products with the specific categories that include Sports supplements, Weight management, companion animal health care, and potential veterinarian applications. The company's initial product using its delivery system, creatine, is a sports supplement that has been used by athletes.

Customer

The company's major customer for the year 2004 includes GNC.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need **2-3 days** to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
