The latter are correlated with pertinent news and press releases, and annual and quarterly forecasts are given by a variety of experts and market research firms. Such information creates your awareness about principal trends of Zoommed Inc. business.

About Zoommed Inc.

ZoomMed, Inc. manufactures and markets the ZRx Prescriber, a Web-based application that enhances prescription management and facilitates communication between health care professionals in Canada. Its ZRx Prescriber application operates on a small pocket computer or regular computer, which allows physicians to fill out and make available the prescription information to pharmacists allowing them to access this information online by reading the unique barcode printed on the prescription, and to authenticate it with the attending physician signed copy. The company serves physicians, pharmacists, and

pharmaceutical companies, and private labs. The company is based in Brossard, Canada.

The above Company Fundamental Report is a half-ready report and contents are subject to change. It means that we have all necessary data in our database to prepare the report but need 2-3 days to complete it. During this time we are also updating the report with respect to the current moment. So, you can get all the most recent data available for the same price. Please note that preparation of additional types of analyses requires extra time.
