Abstracts

The 2019 U.S. Industry & Market Outlook report is the leading annual publication that describes over 100 major U.S. industries and 500+ minor industries (industries are listed below).

Published each year in October, the Outlook report provides the most current and accurate estimates of the size of the largest manufacturing, retail, wholesale and services industries in the United States. With over 280 pages, the 2019 U.S. Industry & Market Outlook features 2019 establishments, employment and sales totals for each industry, 2020 forecast establishments, employment and sales totals for each industry, 5-year trend establishments and sales totals, Industry financial ratios such as sales per employees, sales per establishment and employees per establishment, 2019 establishments, employment and sales totals for 500+ minor industries and Industry definitions and descriptions.

Barnes Reports' Industry & Market reports are an essential part of any GAP analysis, benchmarking project, SWOT analysis, business plan, risk analysis, or growth-share matrix.
