REPORT SCOPE

The scope of this report covers four types of acoustic insulation materials used globally: stone/rock wool, glass wool, plastic wool and others (aerogel, slag wool, cellulose acetate). These are classified on the basis of their manufacturing processes.

The major applications for acoustic insulation materials are in construction, transportation and industrial. The markets for each type of acoustic insulation material in applications and in regions are covered in the report. The revenue forecasts from 2017 to 2022 are explained for each major type of acoustic insulation material based on production process, applications and regions.

The report also includes a discussion on the major players in the market; it explains the significant market drivers, current trends and major end-user industries for the global acoustic market.

REPORT INCLUDES:

76 data tables

An overview of the global market for acoustic insulation

Analyses of global market trends, with data from 2016 and 2017, and projections of compound annual growth rates (CAGRs) through 2022

Analyses of the key drivers and constraints that will shape the market for acoustic insulation as the basis for projecting demand over the next five years

Breakdowns of the market by material type, application, and region

Evaluations of market dynamics, specifically growth drivers, restraints, and opportunities

Company profiles of major players in the market, including Trelleborg Ab, Thermafiber Inc., Saint-Gobain SA, Rockwool International A/S and Owens Corning

CHAPTER 2 SUMMARY AND HIGHLIGHTS

CHAPTER 3 MARKET AND TECHNOLOGY BACKGROUND

Types of Acoustic Insulation
Airborne Acoustic Insulation
Impact Acoustic Insulation
Types of Materials
Glass Wool
Rock Wool
Fiber Glass Wool
Ceiling Panels and Interior Panels
Types of Applications
Building and Construction
Industrial Applications
Transportation

CHAPTER 4 GLOBAL MARKET FOR ACOUSTIC INSULATION

Global Market for Acoustic Insulation by Type
Global Market for Acoustic Insulation by Region
Global Market for Acoustic Insulation by Application
Global Market for Acoustic Insulation by Region
Global Market for Stone Wool by Region
Global Market for Glass Wool by Region
Global Market for Plastic Wool by Region

Global Market for Other Materials by Region
Global Market for Commercial Buildings by Region
Global Market for Residential Buildings by Region
Global Market for Industrial Applications by Region
Global Market for Automotive Transportation by Region
Global Market for Aviation Transportation by Region
Global Market for Marine Transportation by Region
Global Market for Other Application Modes by Region
Global Market for Acoustic Insulation by Application Type
Global Market for Stone Wool by Application
Global Market for Glass Wool by Application
Global Market for Plastic Wool by Application
Global Market for Other Materials by Application

CHAPTER 5 EUROPE MARKET FOR ACOUSTIC INSULATION

Europe Market for Acoustic Insulation by Country
European Market for Acoustic Insulation by Types
European Market for Acoustic Insulation by Application
European Market for Acoustic Insulation by Application Type
European Market for Stone Wool by Application
European Market for Glass Wool by Application
European Market for Plastic Wool by Application
European Market for Other Materials by Application
European Market for Acoustic Insulation by Country
Market for Stone Wool by Country
Market for Glass Wool by Country
Market for Plastic Wool by Country
Market for Other Materials by Country
European Market for Commercial Buildings by Region
European Market for Residential Buildings by Country
European Market for Industrial Applications by Country
European Market for Automotive Transportation by Country
European Market for Aviation Transportation by Country
European Market for Marine Transportation by Country
European Market for Other Applications by Country

CHAPTER 6 ASIA-PACIFIC MARKET FOR ACOUSTIC INSULATION

Asia-Pacific Market for Acoustic Insulation by Type
Asia-Pacific Market for Acoustic Insulation by Country
Asia-Pacific Market for Acoustic Insulation by Application
Asia-Pacific Market for Acoustic Insulation by Application Type
Asia-Pacific Market for Stone Wool by Application
Asia-Pacific Market for Glass Wool by Application
Asia-Pacific Market for Plastic Wool by Application
Asia-Pacific Market for Other Materials by Application
Asia-Pacific Market for Commercial Buildings by Country
Asia-Pacific Market for Residential Buildings by Country
Asia-Pacific Market for Industrial Applications by Country
Asia-Pacific Market for Automotive Transportation by Country
