Report Scope:

This report studies the global market for compound feed from 2019 as a base year and provides estimates for each year of the forecast period 2020 to 2025, with projections of compound annual growth rate (CAGR). Projected and forecasted market size estimates are in constant U.S. dollars, unadjusted for inflation, and in volume as million metric tons (MMT).

The report discusses technological factors, competitive factors and economic trends affecting the market. It also examines the major drivers and regional dynamics of the global market for compound feed and current trends within the industry.

The report analyzes the global compound feed segments in terms of sources, ingredients, product forms, livestock feeds, and regions. Sources covered are Plant-based, Animal-based and Other Sources. Ingredients covered are cereal ingredients, cakes and meals, milling by-products, supplements, and other ingredients. Product forms covered are mash form, pellet form, crumbles, and other forms. Livestock feeds covered are ruminants feed, swine feed, poultry feed, aquaculture feed, and other livestock feed. Regional markets covered are North America, Europe, Asia-Pacific, and Latin America, Middle East and Africa (LAMEA). The report concludes with detailed profiles of major vendors in the global market for compound feed.

Report Includes:

153 tables

An in-depth analysis of the global market for compound animal feeds and feed additives

Analyses of the global market trends, with data corresponding to market size for 2019, estimates for 2020-2024, and projections of compound annual growth rates (CAGRs) through 2025

Discussion of the major growth factors, underlying opportunities and challenges, technological advancements, and regulatory updates that can shape and influence the future marketplace

Country specific data and analysis of the U.S., Canada, France, Germany, Spain, Russia, China, India, Japan, South Korea, Brazil, Argentina and Saudi Arabia

Information on the industry value chain analysis providing a systematic study of key intermediaries involved that could further assist stakeholders in formulating appropriate strategies

Impact of coronavirus (COVID-19) outbreak on the global economy as well as the compound animal feed additives market

Industry insights from an expert, who's a long-time manufacturer and distributor of all-natural products for animal feeds, reflecting on their special products in the animal feed industry, how coronavirus has impacted their company, and what kind of trends could be expected in the future

Identification of companies best-positioned to meet the supply/demand in animal feed and dietary supplements marketplace owing to their proprietary technologies, mergers & acquisitions, joint ventures, and other strategic alliances

Market share analysis of the leading animal feed companies encompassing their successful marketing strategies, key competitive landscape and recent developments

Profile description of some prominent manufacturers/suppliers of animal feed and feed additives. Major players including ADM Alliance Nutrition (ADM) Inc., Brookside Agra, Cargill Inc., Danish Agro, DSM Nutritional Products AG, Evonik Industries AG, General Mills Inc., and Merck Animal Health Co.

CHAPTER 4 GLOBAL MARKET FOR COMPOUND FEED

Global Market Overview
Global Market in Terms of Value

Global Market in Terms of Volume
Global Market by Source of Compound Feed in Terms of Value
Global Market by Source of Compound Feed in Terms of Volume
Global Market by Type of Ingredient in Terms of Value
Global Market by Type of Ingredient in Terms of Volume
Global Market for Compound Feed by Form in Terms of Value
Global Market for Compound Feed by Form in Terms of Volume
Global Market by Type of Livestock in Terms of Value
Global Market by Type of Livestock in Terms of Volume

CHAPTER 5 MARKET BREAKDOWN BY SOURCE OF COMPOUND FEED

Global Market for Compound Feed by Source
Global Market for Plant-Based Compound Feed
Global Market for Animal-Based Compound Feed
Global Market for Other Sources of Compound Feed

CHAPTER 6 MARKET BREAKDOWN BY TYPE OF INGREDIENT

Global Market for Compound Feed by Type of Ingredient
Global Market for Cereal Ingredients for Compound Feed
Global Market for Cakes and Meals for Compound Feed
Global Market for Milling By-products for Compound Feed
Global Market for Supplements for Compound Feed
Global Market for Other Types of Ingredients for Compound Feed

CHAPTER 7 MARKET BREAKDOWN BY FORM OF COMPOUND FEED

Global Market for Compound Feed by Form
Global Market for Compound Feed in Mash Form
Global Market for Compound Feed in Pellet Form
Global Market for Compound Feed in Crumble Form
Global Market for Other Forms of Compound Feed by Region in Terms of Value
Global Market for Other Forms of Compound Feed by Region in Terms of Volume

CHAPTER 8 MARKET BREAKDOWN BY TYPE OF LIVESTOCK

Global Market for Compound Feedstock by Type of Livestock
Global Market for Compound Feed for Ruminants

Global Market for Compound Feed for Swine
Global Market for Compound Feed for Poultry
Global Market for Compound Feed for Aquaculture
Global Market for Compound Feed for Other Types of Livestock
