REPORT SCOPE:

The scope of this report is broad and covers several types and applications of non-sugar sweeteners. The market is broken down by subtypes, applications, and regional markets for each of the submarkets. Revenue forecasts from 2018 to 2023 are provided for each of the major types of non-sugar sweeteners, along with their subtypes, applications and regional markets.

This report also includes a brief discussion of the major players in each sub-segment of the non-sugar sweeteners markets. It explains the major market drivers for the global non-sugar sweeteners industry, current trends within the industry and major end-user industries for the global non-sugar sweeteners market.

REPORT INCLUDES:

92 data tables

An overview of the global markets for non-sugar sweeteners

Analyses of global market trends, with data from 2017 to 2018, and projections of CAGRs through 2023

Discussion covering non-sugar sweeteners: types, need, benefits, limitations, and regulations

Significant patents and their allocations in various categories of non-sugar sweeteners

Company profiles of major players in the industry, including Ajinomoto Co. Inc., Cargill Inc., GLG Life Tech Corp., Naturex and Roquette

CHAPTER 4 GLOBAL MARKET FOR NON-SUGAR SWEETENERS

Global Market for Non-sugar Sweeteners by Type
Global Market for Non-sugar Sweeteners by Region
Global Market for Non-sugar Sweeteners by End User Application Industry
Global Market for High-Fructose Corn Syrup by Region
Global Market for High-Fructose Corn Syrup by End User Application
Global Market for High-Intensity Sweeteners by Region
Global Market for High-Intensity Sweeteners by End User Application
Global Market for High-Intensity Sweeteners by Type
Global Market for Sucralose by Region

Global Market for Sucralose by Application
Global Market for Saccharin by Region
Global Market for Saccharin by Application
Global Market for Aspartame by Region
Global Market for Aspartame by Application
Global Market for Acesulfame-K by Region
Global Market for Acesulfame-K by Application
Global Market for Cyclamate by Region
Global Market for Cyclamate by Application
Global Market for Stevia by Region
Global Market for Stevia by Application
Global Market for Other Types of High-Intensity Sweeteners by Region
Global Market for Other Types of High-Intensity Sweeteners by Application
Global Market for Low-Intensity Sweeteners by Region
Global Market for Low-Intensity Sweeteners by Application
Global Market for Low-Intensity Sweeteners by Type
Global Market for Xylitol by Region
Global Market for Xylitol by Application
Global Market for Sorbitol by Region
Global Market for Sorbitol by Application
Global Market for Erythritol by Region
Global Market for Erythritol by Application
Global Market for Maltitol by Region
Global Market for Maltitol by Application
Global Market for Other Types of Sugar Alcohols by Region
Global Market for Other Types of Sugar Alcohols by Application

CHAPTER 5 MARKET DRIVERS AND CHALLENGES

Drivers

Steady Adoption of Non-sugar Sweeteners in the Food Industry
Rising Demand for Non-sugar Sweeteners in the Global Beverage Industry
Increasing Global Dairy Market
Increasing Obesity Rates
Rising Prevalence of Diabetes
Positive Role in Dental Health

Challenges

Adverse Effects of Non-sugar Sweeteners

CHAPTER 6 PATENT REVIEW

Recent Patents on Artificial Sweeteners
