Abstracts

Report Scope:

This research report categorizes the plastic bag and pouch manufacturing market by type. Product type include plastic bags and plastic pouches.

Report Includes:

129 data tables and 5 additional tables

An overview of the global market for plastic bag and pouch manufacturing

Analyses of global market trends, with data from 2012 through 2016, estimates for 2017, and projections of compound annual growth rates (CAGRs) through 2020

Information about market dynamics, trends, strategies, market drivers and restraints

Coverage of customer information, and key mergers and acquisitions in this market

Comprehensive company profiles of major players in the industry, including: Amcor Limited, Bemis Company, Inc., Intoplast Group, Novolex, Sealed Air Corporation
