## Abstracts

### REPORT SCOPE:

The sharing economy is incredibly diverse, and it would have been impractical for BCC Research to try to analyze every market segment in a report like this. Instead, it has focused its research on the seven segments listed below, which account for the bulk of the market at present and in the foreseeable future.

Mobility sharing.

Person-to-person (P2P) finance.

Vacation rental and room sharing.

Coworking.

Online talent platforms.

Healthcare sharing.

P2P consumer goods rentals.

### REPORT INCLUDES -

66 data tables and 14 additional tables

A brief outline of sharing ecosystem that include providers, users, influencers, and platforms and impact thereof across major industry verticals

Data corresponding to number of sharers, estimated value of assets share, sharing platform revenues etc.; and long-term market outlook (beyond 2024)

Projection of future trends in the total demand for different types of assets or services (e.g., vacation accommodations), and sharing's current/projected future penetration of each of those markets

Company profiles of market leading players within the shared marketplace, including BlaBlaCar, Getaround, Lyft, Ola, Uber, AngelList LLC, Crowdfunder Inc., Friendsurance, Guevara and Prosper Marketplace
