Abstracts

Report Scope:

This report represents an in-depth analysis of the North American markets for smart city technologies, which are communications, hardware, sensors, and software. The report segments and analyzes the market on the basis of application segment, including energy management, water management, transportation management, assisted living, e-government and waste management. The report also provides in-depth analysis of the North American smart cities market by country, including the U.S., Canada and Mexico. The report provides revenue forecasts for various market segments from 2018 to 2023.

The report also includes company profiles of the major players operating in smart cities technology markets in the North American region. These companies provide technology solutions for smart cities.

Report Includes:

13 tables

Industry analysis of the North American market for smart city technologies

Analyses of global market trends, with data from 2017 to 2018, and projections of compound annual growth rates (CAGRs) through 2023

Country-specific data and analysis for U.S., Canada and Mexico as major economies within the region

Characterization and quantification of market potential for smart city applications by technology solutions and application segments, including energy

management, water management, transportation management, assisted living, e-government, and waste management

An overview of the new and evolving information and communication technology investment driven by smart city applications

Analysis of important growth opportunities, including new transport management systems, smart grids, water monitoring systems, and energy-efficient buildings

Discussion of the vendor landscape and company profiles of the major vendors in the North American smart city's IT market, including Accenture, AT& T, Capgemini, General Electric, IBM, Intel, Microsoft and TCP Reliable

Contents

CHAPTER 1 INTRODUCTION

Study Goals and Objectives
Reasons for Doing This Study
Scope of the Report
Research Methodology
Intended Audience
Geographic Breakdown
Analyst's Credentials
BCC Custom Research
Related BCC Research Reports

CHAPTER 2 SUMMARY AND HIGHLIGHTS

CHAPTER 3 MARKET OVERVIEW

Introducing Smart Cities
Historical Context of Smart Cities

CHAPTER 4 NORTH AMERICAN MARKET FOR SMART CITY TECHNOLOGIES BY TYPE

Overall Market Size and Forecast
Communications
Hardware
Sensors
Software

CHAPTER 5 NORTH AMERICAN MARKET FOR SMART CITY TECHNOLOGIES BY APPLICATION SEGMENT

Overall Market Size and Forecast
Energy Management
Market Size and Forecast
Water Management
Market Size and Forecast
Transportation Management

Market Size and Forecast
Assisted Living
Market Size and Forecast
E-government
Market Size and Forecast
Waste Management
Market Size and Forecast

CHAPTER 6 NORTH AMERICAN MARKET FOR SMART CITY TECHNOLOGIES BY COUNTRY

Overall Market Size and Forecast
U.S.
Major U.S. City Governments
Market Size and Forecast by Type
Market Size and Forecast by Application Segment
Canada
Major Canadian City Governments
Mexico

CHAPTER 7 MARKET DYNAMICS

Smart City ICT Buyers and Influencers
Drivers
Increase in Demand for Energy Efficiency Systems and Energy Management
Increasing Mobility
Future Trends
Market Challenges
Energy Management
Water Management
Transportation Management
Assisted Living
E-government
Waste Management
Market Summary

CHAPTER 8 COMPANY PROFILES

Leading Smart City ICT Companies

ACCENTURE
CISCO SYSTEMS INC.
GENERAL ELECTRIC
HEWLETTPACKARD ENTERPRISE
IBM
INTEL
MICROSOFT
Other Smart City Companies
ARUP
AT&T

CAPGEMINI

List Of Tables

LIST OF TABLES

Summary Table: North American Market for Smart City Technologies, by Application Segment, Through 2023

Table 1: Smart City Technologies

Table 2: North American Market for Smart City Technologies, by Type, Through 2023

Table 3: North American Market for Smart City Technologies, by Application Segment, Through 2023

Table 4: North American Market for Energy Management Applications of Smart City Technologies, by Type, Through 2023

Table 5: North American Market for Water Management Applications of Smart City Technologies, by Type, Through 2023

Table 6: North American Market for Transportation Management Applications of Smart City Technologies, by Type, Through 2023

Table 7: North American Market for Assisted Living Applications of Smart City Technologies, by Type, Through 2023

Table 8: North American Market for E-government Applications of Smart City Technologies, by Type, Through 2023

Table 9: North American Market for Waste Management Applications of Smart City Technologies, by Type, Through 2023

Table 10: North American Market for Smart City Technologies, by Country, Through 2023

Table 11: U.S. Market for Smart City Technologies, by Type, Through 2023

Table 12: U.S. Market for Smart City Technologies, by Application Segment, Through 2023

List Of Figures

LIST OF FIGURES

Summary Figure: North American Market for Smart City Technologies, by Application Segment, 2017-2023

Figure 1: North American Market for Smart City Technologies, by Type, 2017-2023

Figure 2: North American Market for Smart City Technologies, by Application Segment, 2017-2023

Figure 3: North American Market for Smart City Technologies in Energy Management, by Type, 2017-2023

Figure 4: North American Market for Water Management Applications of Smart City Technologies, by Type, 2017-2023

Figure 5: North American Market for Transportation Management Applications of Smart City Technologies, by Type, 2017-2023

Figure 6: North American Market for Assisted Living Applications of Smart City Technologies, by Type, 2017-2023
