## Abstracts

### 2020 Connector Industry Yearbook

Each year, Bishop & Associates prepares the Connector Industry Yearbook based on annual reports provided by publicly traded connector companies.

Income statements and balance sheets are consolidated for the past 10 years, five years, and most current year, providing benchmarks on the industry and the overall performance of the public connector companies. Featured in each issue are: consolidated history of the public companies, fifteen-year history of performance by company (including industry averages), and a chronological description of important 2019 industry events.
