Abstracts

In 2015, Europe accounted for 20% of worldwide connector demand.

Which European countries/regions drove this demand?

What market sectors outperformed the average (European) market and which sectors were underperforming?

Which European countries/regions and market sectors will offer the best growth prospects over the next five-years?

What are the leading product categories within specific end-use equipment markets?

Who are the leading connector manufacturers in the European connector market?

Which leading OEMs do we find in the various countries?

How does the FX market affect the European connector market?

Bishop & Associates, a leader in electronic connector research, has just released a new 2016 European Connector Market research report. This comprehensive, five-chapter, 273-page, report analyzes all aspects of the \$10.5 billion European electronic connector market.

European Connector Market 2015, 2016-2021 provides detailed connector statistics by equipment sector and product category for 19 countries/regions. Included is a chapter

on specific end-use equipment markets and a chapter on the market dynamics in Europe. Data is provided for the years 2014, 2015, 2016E, and a forecast for 2021 (including five-year CAGRs). A region steeped in tradition and recognized for its innovation and entrepreneurship, the European connector market offers something for everyone, be able to identify and find your niche, order you copy of the European Connector Market 2015, 2016-2021.

Contents

- Executive Summary
- Regional Share of the European Connector Market 2007-2015
- Connector Manufacturer's Share of European Sales - 2014
- The European Connector Market at Two Different Speeds 2002-2015
- European Connector Market by End-Use Equipment Sector 2015, 2016E and 2021F
- European Connector Market Ranked by Country 2015-2016E
- European Connector Market Ranked by Country Excluding Automotive 2015-2016E
- European Connector Market by Product Category 2015, 2016E, and 2021F
- European Connector Market 2015, 2016E, and 2021F
- CAGR by Country and Market Sector 2016E through 2021F
- CAGR by Country and Product Type 2016E and 2021F
