Abstracts

In the past few years, the Sales Performance Management market experienced a huge change under the influence of COVID-19, the global market size of Sales Performance Management reached 750 million \$ in 2021 from 620 in 2016 with a CAGR of 3.88% from 2016-2021 is. As of now, the global COVID-19 Coronavirus Cases have exceeded 200 million, and the global epidemic has been basically under control, therefore, the World Bank has estimated the global economic growth in 2021 and 2022. The World Bank predicts that the global economic output is expected to expand 4 percent in 2021 while 3.8 percent in 2022. According to our research on Sales Performance Management market and global economic environment, we forecast that the global market size of Sales Performance Management will reach 964 million \$ in 2026 with a CAGR of % from 2021-2026.

Due to the COVID-19 pandemic, according to World Bank statistics, global GDP has shrunk by about 3.5% in 2020. Entering 2021, Economic activity in many countries has started to recover and partially adapted to pandemic restrictions. The research and development of vaccines has

made breakthrough progress, and many governments have also issued various policies to stimulate economic recovery, particularly in the United States, is likely to provide a strong boost to economic activity but prospects for sustainable growth vary widely between countries and sectors. Although the global economy is recovering from the great depression caused by COVID-19, it will remain below pre-pandemic trends for a prolonged period. The pandemic has exacerbated the risks associated with the decade-long wave of global debt accumulation. It is also likely to steepen the long-expected slowdown in potential growth over the next decade.

The world has entered the COVID-19 epidemic recovery period. In this complex economic environment, we published the Global Sales Performance Management Market Status, Trends and COVID-19 Impact Report 2021, which provides a comprehensive analysis of the global Sales Performance Management market, This Report covers the players' data, including: revenue, gross margin, business distribution etc., these data help the consumer know about the competitors better.
