## **Abstracts**

Global Avocado Extracts Market is valued approximately USD XXXX billion in 2020 and is anticipated to grow with a healthy growth rate of more than XXXX % over the forecast period 2021-2027. Avocado Extracts is processed form of avocado fruit. Avocado extract contains all the vitamins and minerals to boost the immunity and control diabetes. Avocado is being eaten in all over the world due to its health benefits. The avocado extract is beneficial for treating cancer, which is the major reason for avocado extract manufacture globally. The increase in consumption of avocado products is driving the growth for the market. For instance: as the World Economic Forum, around 11 million pounds are consumed annually globally. The production of avocado is increasing which in turn increases the demand for avocado extract market. Increase in production of avocado is driving the growth for the market. For instance: Michoac?n has a land production size equivalent of 196,000 football fields; its regional economy is strongly dependent on a product with a market value of around \$2.5 billion a year. Also, as the new product launch in avocado extracts extend the opportunity for the market which lead to the adoption & demand for Avocado Extracts is likely to increase the market growth during the forecast period. For example: GENDR cosmetics launches a long-lasting lipstick made of avocado. However, the presence of alternative oil such as chia seeds, olive oil, hemp oil is easily available in the market which impedes the growth of the market over the forecast period of 2021-2027.

The key regions considered for the global Avocado Extracts market study includes Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading region across the world in terms of market share because of the high consumption and wide presence of avocado extract in the market. Whereas, Asia-Pacific is anticipated to exhibit highest CAGR over the forecast period 2021-2027. The presence of avocado in the region is increasing as the production of avocado is increasing which would create lucrative growth prospects for the Avocado Extracts market across Asia-Pacific region.
