## **Abstracts**

Global Chef Uniform Market is valued approximately USD XXX billion in 2018 and is anticipated to grow with a healthy growth rate of more than XXX% over the forecast period 2019-2026. The Chef Uniform are clothes which are worn by the cooks working in hotels and restaurants. The global Chef uniform market is primarily driven owing to surging urbanization in both developed and developing countries, escalating number of hotels and restaurants with the rising tourism sector on the global scenario. The surging number of tourists is acting as a key driver considering the development and growth of chef uniform market. According to the World Travel & Tourism Council, in 2017, France is expected to attract 82,854,000 international tourist arrivals which is expected to grow by 3.1% in the next year 2018. As a result of this, the demand for hotels is likely to rise which in turn would increase the need for chef uniforms. Moreover, according to Spain Energy and Tourism Ministry, Spain has surpassed its own tourism record in the European Union for the seventh year in a row with around 75.3 million foreign visitors visited the country in the year 2016. That's around 7.2 million tourists more than as compared to 2015 accounting for a rise of 9.9%. Also, a major portion of foreign visitors in Spain came from the countries which includes the United Kingdom, Germany and France. The top tourist's destinations in Spain includes Catalonia which was the leading region with 17 million tourists from the month of January to November in the year 2017 that was 3.8% more than as compared to year 2015 further augmenting the adoption and utility of chef uniform market. However, the low focus by small restaurants and cafe's on providing chef uniform to the cooking staff is acting as a restraining factor towards the adoption and utility of chef uniform market.

The regional analysis of global Chef Uniform market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading/significant region across the world in terms of market share owing to the surging tourism sector along with high presence of big hotels and restaurant chains in United States and Canada. Whereas, Asia-Pacific is also anticipated to exhibit highest growth rate / CAGR over the forecast period 2019-2026. Factors such as escalating number of hotels and restaurants and surging urbanization in the countries of China and India which include establishments of new hotels & food outlets would create lucrative growth prospects for the Chef Uniform market across Asia-Pacific region.
