Abstracts

Global Coal Bed Methane Market to reach USD 22.2 billion by 2025.

Global Coal Bed Methane Market valued approximately USD 9.84 billion in 2016 is anticipated to grow with a healthy growth rate of more than 9.47% over the forecast period 2017-2025. Increasing demand for natural gas to be used as fuel for commercial and residential purpose, increasing focus on clean energy consumption, and lower cost than the conventional source of energy, are the major factors which are driving the growth in the Global Coal Bed Methane Market. Whereas high initial capital requirement may hinder the growth of the market. Coal Bed Methane is natural gas that is found in the coal deposit or un-mined coal sites. Coal Bed Methane can be used in residential application, commercial, and industrial applications like hydro-fracturing, proppant-based fracturing, chemical additive based fracturing, exploration, and drilling.

The regional analysis of Global Coal Bed Methane Market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. Canada is the leading/significant region across the world in terms of market share. Whereas, owing to the countries such as China, Japan, and India, Asia Pacific region is anticipated to exhibit higher growth rate / CAGR over the forecast period 2018-2025.

The objective of the study is to define market sizes of different segments & countries in recent years and to forecast the values to the coming eight years. The report is designed to incorporate both qualitative and quantitative aspects of the industry within

each of the regions and countries involved in the study. Furthermore, the report also caters the detailed information about the crucial aspects such as driving factors & challenges which will define the future growth of the market. Additionally, the report shall also incorporate available opportunities in micro markets for stakeholders to invest along with the detailed analysis of competitive landscape and product offerings of key players. The detailed segments and sub-segment of the market are explained below:

By Application:

Industrial

Power Generation

Residential

Commercial

Transportation

By Regions:

North America

U.S.

Canada

Europe

UK

Germany

Asia Pacific

China

India

Japan

Latin America

Brazil

Mexico

Rest of the World

Furthermore, years considered for the study are as follows:
