Abstracts

Global Decentralized Finance (DeFi) Market is valued at approximately USD 11.78 billion in 2021 and is anticipated to grow with a healthy growth rate of more than 42.5% over the forecast period 2022-2029. Decentralized finance (DeFi) is a developing financial technology that offers financial instruments without relying on intermediaries such as exchanges, brokerages, or banks by utilizing smart contracts on a blockchain. Factors such as the growing adoption of blockchain technology, rising penetration of digitized financial services, coupled with the development of the financial sector are driving the market growth across the globe.

According to Statista, in 2019, the expenditure on blockchain solutions was estimated to account for USD 2.7 billion, which is anticipated to reach USD 19 billion by the year 2024. Therefore, the rising adoption of blockchain technology is fueling the demand for Decentralized Finance (DeFi), which, in turn, accelerates market growth. Moreover, the increasing investment in technological developments, as well as the rising number of strategic initiatives by the key market players are presenting various lucrative opportunities the market growth over the forthcoming years. However, rising data privacy and regulatory concerns and high cost related to R&D activities are hindering market growth throughout the forecast period of 2022-2029.

The key regions considered for the Global Decentralized Finance (DeFi) Market study

include Asia Pacific, North America, Europe, Latin America, and the Rest of the World. North America dominated the market in terms of revenue, owing to the growing use of DeFi in the insurance industry, as well as the rising presence of key market players. Whereas the Asia Pacific is expected to grow with the highest CAGR during the forecast period. Factors such as the rising adoption of novel technologies and increasing digitalization are burgeoning the market growth in the forecasting years.

Major market players included in this report are:

Compound Labs, Inc.
