## **Abstracts**

Global Dumpster Rental Market is valued approximately USD XXX Billion in 2019 and is anticipated to grow with a healthy growth rate of more than XX% over the forecast period 2019-2026. The dumpster rental is a business process where a company provide dumpster to end-users such as Private, commercial, and industrial customers on rental basis of various sizes as per customer convenience and demand. Dumpster landlords deliver dumpsters to specific locations and pick them up at the end of the rental period.. The dumpsters play essential role in various end-use industries as it is a versatile waste disposable option that reduce the risk of accidents and litigation. Also, it is good for environment safety, increased profitability, and employee productivity and beneficial for customers as the trash collected in dumpster were disposed according to the local rules and regulations of any economy. Due to its tremendous offering the market is gaining larger demand from construction sites for carrying & dumping heavy trash efficiently, therefore rapid growth in industrialization and urbanization are the factors driving the growth of market over the forecast years. For instance: According to the Association of Equipment Manufacturer, the U.S construction industry is estimated to grow with 1% annually and it is found as increase of 1.1% in 2017 and 1.9 percent in 2018. Similarly, as per the National Investment Promotion & Facilitation Agency, the construction industry in India is expected to reach up to USD 738.5 billion till 2022. However, the global spread of COVID-19, adverse effect the demand of dumpster and dumpster rental market as many countries across the globe announced lockdown to prevent

spread of COVID-19. Apart from this, hidden cost associated with dumpster rental is expected to deter the growth of market over the forecast years.

The regional analysis of global Dumpster Rental market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America, and Rest of the World. North America is the leading/significant region across the world in terms of market share owing due to the rapid growth in commercial and industrial sector across the region. Whereas, Asia-Pacific is also anticipated to exhibit highest growth rate / CAGR over the forecast period 2020-2026.
