Abstracts

Global FDI Opportunities in the Indian Defense Sector Market is valued approximately USD XX billion in 2020 and is anticipated to grow with a healthy growth rate of more than XX % over the forecast period 2021-2027. Foreign Direct Investment (FDI) is a policy in the defense sector which allows the investment in the geographic region of the country for the manufacturing of defense equipment. The increasing investments in military modernization and threats from terrorist organizations have led the adoption of FDI Opportunities in the Indian Defense Sector across the forecast period. For instance, as per NIP&FA defense ministry in India plans to spend \$130 bn on modernization of military in the next 5 years, to achieve self-reliance in defense production is a key target for the Government of India. However, make in India initiative impedes the growth of the market over the forecast period of 2021-2027. Also, with the need to maintain military competency with the neighboring countries, new FDI Opportunities in the Indian Defense Sector is likely to be created.

Global FDI Opportunities in the Indian Defense Sector Market is segmented on the basis of geographical region as Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading region across the world in terms of market share owing to the technology advancement and major defense equipment industry located in this region. Whereas, Asia-Pacific is also anticipated to exhibit highest growth rate over the forecast period 2021-2027.
