## **Abstracts**

Global Freight Logistics Brokerage Market to reach USD XX billion by 2025.

Global Freight Logistics Brokerage Market valued approximately USD XX billion in 2017 is anticipated to grow with a healthy growth rate of more than XX% over the forecast period 2018-2025. The Freight Logistics Brokerage Market is continuously growing across the world over the coming years. The Freight logistics brokerage market is on the surging trend considering the global scenario. The Freight Logistics Brokerage is a business with many participants and few clear leaders. A freight broker is someone who assists shippers with freight ready to haul by finding carriers who are qualified to haul the load. Rising demand for transportation and logistics services is propelling the market towards high CAGR during the forecast period. Also, the expansion of various industries has led the port container throughput volume to accelerate in turn boosting the global freight logistics brokerage market. However, lack of awareness about the freight logistics is expected to hinder the market growth across the globe.

The regional analysis of Global Freight Logistics Brokerage Market is considered for the key regions such as Asia Pacific, North America, Europe, Latin America and Rest of the World. North America is the leading/significant region across the world in terms of market share owing to rapid expansion of end-user industries. Europe also contributes a satisfactory growth in the global Freight Logistics Brokerage market due to increasing usage of logistics services. Asia-Pacific is also anticipated to exhibit higher growth rate / CAGR over the forecast period 2018-2025 due to increasing demand of transportation

and logistics services in developing countries such as India, China and Japan.
